

The floor plan illustrates the ground floor layout of a building, featuring a central corridor and several functional rooms. The rooms are labeled in both Arabic and English, with their dimensions provided. The plan includes a central staircase and elevator area, as well as various rooms such as classrooms, a library, a science laboratory, a manager's room, a staff room, a pantry, and an SMDs room. The layout is detailed with architectural symbols for doors, windows, and stairs.
